

## COLLEGE CREDIT *in* HIGH SCHOOL

Attention 8<sup>th</sup> Grade Students:

This is an exciting time for you as you begin to prepare for the transition to high school next year. Your next four years will be full of many important decisions, and many academic and extracurricular opportunities to choose from.

It's not too early to start learning more about Kirkwood College Credit in High School (CCHS) classes that will be available to you while in high school. Kirkwood's Washington County Regional Center features innovative programming provided through partnerships with several local high schools. The unique cooperation gets high school students hands-on career experience and transferrable college credit at no cost to them or their families. The Washington County Regional Center offers students the opportunity to participate in several different Career Academy programs. These Career Academy programs are designed to give students a jump-start on their college education and explore for a possible career. If you would like to learn more about the college credit in high school experience, please plan to attend our upcoming informational open house with your parents.
