

Attention parents of current 8th grade students: On March 6th Kirkwood will be holding an informational open house about the Kirkwood College Credit in High School (CCHS) program. Kirkwood would like to reach out to 8th grade students and parents now with this information so students have the info they need to make the decision that is best for them if, or when, they might consider enrolling in college classes later in high school.

At the Open House information covered will include:

- CCHS Academy offerings
  
- Student Expectations and Characteristics of Successful CCHS Students
  
- Discuss the rigor of courses, time/effort needed to be successful, impact of not being successful
  
- Tour academy labs and campus
  
- Q & A
