

Stewart Elementary is once again seeking volunteers for the upcoming school year to help in our kindergarten through second grade classrooms. If you would like to help students individually or in small groups, read with them, practice flashcards; or just spend time with them, we are looking for you! Please contact Stewart Elementary Volunteer Coordinator, Kelsey Sievers, at 319-653-3244, if you are interested in helping to make a difference in the lives of our students. Parents, grandparents, guardians, and community members are all welcome. All volunteers will be subject to a background check. We look forward to seeing you this year and having you part of our team!
